

CXLT Certification Renewal

To renew your CXLT Certification for an additional three (3) years, please complete the form below, indicating your continued involvement and currency in the sciences of walkway safety, tribometry and slip resistance by demonstrating you have achieved at least 18 Continuing Education Credits (CEC's) **during the most recent three-year period** ending with the date of expiration shown on your CXLT certificate or your most recent renewal card.

Please forward (via fax, email or mail) your completed application and nonrefundable certification renewal fee of \$150.00 to the address below. Make checks payable to: Excel Tribometers, LLC. The renewal fee is waived for CXLT's who pass the current CXLT Program as part of the renewal process.

EXCEL TRIBOMETERS, LLC
 237 HANBURY ROAD EAST
 STE 17, PMB 254

Total Earned _____
--

Note: Credit is allowed only for those activities completed *within your certification cycle*.

Continuing Work Experience:

Total CEC's claimed: _____
Maximum: 3 CEC's per year (9 Total CEC's)

Three CEC's can be earned for each year of professional experience related to walkway safety and tribometry. Please provide a brief summary of your professional experience related to slip resistance.

Year(s)	Name of Employer	Position Title	CEC's Claimed

Description of Current Activities:

Technical Committee Membership and Participation:

Total CEC's claimed: _____
Maximum: 3 CEC's per year (9 Total CEC's)

One CEC can be earned for each year of participation. Voting participation in an ASTM committee which deals with slip resistance (e.g. C21, D21, D01, F6, F8, or F15), ANSI committee (e.g. A1264), NFPA committee (e.g. 101 Means of Egress, 1901) or other walkway safety and tribometry related technical committees.

Year(s)	Name of Organization & Committee	Status on Committee	CEC's Claimed

Published Articles and Presented Technical Papers:

Total CEC's claimed: _____
Maximum: 2 CEC's per year (6 Total CEC's)

One CEC per original article related to walkway safety and tribometry published in a technical journal. Two CEC's per book.

Year(s)	Title of Publication / Presentation	Journal or Conference	CEC's Claimed

Professional Society Membership:

Total CEC's claimed: _____
 Maximum: 2 CEC's per year (6 Total CEC's)

One CEC can be earned for each full year of membership in a professional society related to walkway safety and tribometry.

Year(s)	Society	Membership Category	CEC's Claimed

Seminars and Other Continuing Education:

Total CEC's claimed: _____
 No Maximum

One CEC for attending each walkway safety and/or tribometry related course or seminar of at least 6 hours duration. Two CEC's for each of at least 12 hours duration. The same credits are permitted for developing or teaching. 9 CEC's for taking and successfully passing the CXLT Program.

Year(s)	Title of Course	Instructor / Sponsor	Attendee, Developer, or Instructor?	CEC's Claimed

Workshops, Round Robins and Other Studies:

Total CEC's claimed: _____
 No Maximum

One CEC for participation in each professionally sponsored walkway safety and/or tribometry workshop, round robin and related study.

Year(s)	Subject of Study	Instructor / Sponsor	CEC's Claimed

College or University Courses:

Total CEC's claimed: _____
No Maximum

One CEC for each semester hour for walkway safety and/or tribometry related courses taken. The same CEC's are permitted for developing or teaching a course.

Year(s)	Title of Course	Instructor / Sponsor	CEC's Claimed

Degrees:

Total CEC's claimed: _____
No Maximum

Eight CEC's for obtaining a professional degree related to walkway safety and/or tribometry beyond that held when certified. The degree must be awarded by an institution accredited by a recognized body.

Year(s)	Title of Course	Instructor / Sponsor	CEC's Claimed

Certification or Registration:

Total CEC's claimed: _____
No Maximum

Eight CEC's for initially obtaining a professionally accredited certification or registration related to walkway safety and/or tribometry, such as Certified Safety Professional or Professional Engineer Registration. Expanding your registration to another state through reciprocity, without examination, does not constitute an educational walkway-safety related activity worthy of credit.

One CEC per year for maintaining certification or registration in an organization related to walkway safety or tribometry.

Year(s)	Title of Course	Instructor / Sponsor	CEC's Claimed

Other Activities:

List any activities you believe worthy of consideration for CEC's not listed above.
